

**ACTIVAR CONSTRUCTION PRODUCTS GROUP
ANNOUNCES THE OPENING OF OUR
NEW CHICAGO WAREHOUSE**

Opening March 16, 2009

Looking for ways to reduce your costs of freight and inventory? We are opening our seventh national stocking location, in Chicago, Illinois. Our new facility stocks **Air Louvers** and **JL Industries** products including: vision kits including glass, louvers, tagged fire extinguishers, fire extinguisher cabinets, access panels, & roof hatches.

Our new warehouse helps you by:

- 1.) Reducing your freight costs on regional deliveries.
- 2.) Offering next day shipment to take care of your customers' immediate needs.
- 3.) Eliminating the need to inventory our products... **We will**, so, you still take care of your customers' turnaround needs, without the expense of warehousing a lot of material.
- 4.) Meeting local and state codes with tagged extinguishers, available on request.
- 5.) Carrying a variety of common size vision kits, louvers & PAKs; our most popular extinguisher cabinets; and standard sized access panels, both fire-rated and non-rated.

We will be mailing the Quick Ship Programs for Air Louvers and JL Industries products to you next week.

They are available in PDF form at: WWW.JLINDUSTRIES.COM OR WWW.AIRLOUVERS.COM.

Place your order before noon, and we will ship your product out the next day. Or, if you prefer, pick up your order at the warehouse, on a "will call" basis:
