JL Industries adds New Customer Service Staff

David Chase and Sue Michaelson have joined the JL Industries sales team in Bloomington Minnesota. They will be assisting customers in selection of JL products such as ADAC-compliant and fire-rated fire extinguisher cabinets, UL or FM-approved roof hatches and smoke vents and in choosing the right access panel for their application. JL customer service hours are 7:00 am to 5:00 pm CST.

JL Industries is a division of the Activar Construction Building Products Group with Samson Products, Thomas Enterprises, Hiawatha, and Air Louvers.
