Medtronic Physio-Control does not warrant that Medtronic Physio-Control products will perform error-free or without interruptions.

The sole and exclusive remedy under this warranty is to repair or replace defective material or workmanship at the option of Medtronic Physio-Control. To qualify for the repair or replacement, the product must not have been repaired or altered outside of Medtronic Physio-Control's factory in any way which, in the judgment of Medtronic Physio-Control, affects its stability and reliability.
